

## Dutch Hickory Society News Letter

The Dutch Hickory Society is an informal club of enthusiastic hickory golfers and people who are interested in this special variation of the game of golf.

The Society, which inaugurated in 2017, has as goal to promote and develop hickory golf. The playing with authentic golf clubs made between 1900 and 1930 in the period clothing of the era is mandatory.

In 2017 the Society set up a yearly tour held at six different golf courses in the Netherlands and one in Germany, and in 2018 an Order of Merit was put in place. The Dutch Hickory Society Tour is planning to organise eight events in 2019.

The tour is open for professionals and amateurs of all levels. For hickory golf beginners clubs and clothes are available for hire or to purchase.

Recently the Society has received enquiries over the possibility to become a member of the Dutch Hickory Society but unfortunately until this year it was not possible. Now the structure is in place and we are delighted to announce that in 2019 it is possible.

The annual membership subscription will be only € 25,00. Please note the following advantages for you by becoming a member:
