

Hickory Golf tournaments Golfclub Gera 9-11 August 2019

Dear Maria,

The program for the weekend from 09. to 11. August is almost finished.

On Friday we will play Matchplay "Germany vs. Rest of the World" over 9 holes. In the evening all participants and their companions are guests at Waidmannsheil Castle with Heinrich XIII Prinz Reuß, the patron of the event. He is, by the way, a nephew of Queen Juliana of Orange (1909-2004).

On Saturday the 3rd Reuß Hickory Open over 18 holes will take place. Only amateurs will get into the ranking. At the same time the tournament results for the German Open Hickory Championship count as day 1.

On Sunday the second round takes place. Only players who play on Saturday and Sunday will be considered for the German Open.

The German Open Hickory Championship is open for professional players and amateurs. The amateurs play for a silver cup, while the professional players play for prize money, which we still have to finalize.

I recommend coming to Gera on Thursday to play every three days. I think it will be a great event.

Best regards

Olaf Dudzus
Honorary Secretary
German Hickory Golf Society e.V.
