

Dutch Hickory Society News Letter

The Dutch Hickory Society is an informal club of enthusiastic hickory golfers and people who are interested in this special variation of the game of golf.

The Society, which inaugurated in 2017, has the goal to promote and develop hickory golf. The playing with authentic golf clubs made between 1900 and 1930 and dressed in the style of the era is mandatory.

In 2017 the Society set up a yearly tour held at seven different golf courses in the Netherlands and one in Germany, and in 2018 an Order of Merit was put in place. The Dutch Hickory Tour 2019 has been expanded with an eighth golf course. In 2020, the Tour is handicapped by the corona pandemic. In 2021 we will go for it again!

The tour is open for professionals and amateurs of all levels. For hickory golf beginners, clubs and clothes are available for hire or to purchase.

By popular request, the structure of the organization has been adjusted from 2019 to open the possibility to become a member of the Dutch Hickory Society. The annual membership subscription will be only € 25,00. Please note the following advantages for you by becoming a member:

-  For every tournament, a reduction of five euro's off the entrance fee.
-  A great discount on Glenmuir clothing with Dutch Hickory Society logo. (Available from the Dutch Hickory Society).
-  A separate Dutch Hickory Society logo for € 10.00 that can be ironed on clothing (via the Dutch Hickory Society, while supplies last)

New members will also receive a leather Dutch Hickory Society bag tag.

Please use the enclosed entry form for applications.
